

# EXPLORING OHIO'S HISTORY THROUGH ART

With the Zanesville Museum of Art

*A resource for fourth-grade educators and students*

## Presentation Goals:

- Become acquainted with the *Exploring Ohio's History through Art* program.
- Become familiar with field trip activities.
- Know the next steps to prepare to lead an activity.

# EXPLORING OHIO'S HISTORY THROUGH ART

With the Zanesville Museum of Art

*A resource for fourth-grade educators and students*

Fourth-grade curriculum for local schools that uses the ZMA collection to teach social studies through three visits to the museum.

- Ohio Geography
- Ohio History
- Ohio Economics

# Participating Schools

- National Road Elementary
  - Approximately 50 students
- John McIntire Elementary
  - Approximately 100 students
- Zane Grey Elementary
  - Approximately 100 students

# Where do you come in?

Each field trip of 50 to 100 students will consist of 3 to 6 groups of approximately 15 students moving through activity stations throughout the museum. You will help lead facilitated discussions and hands-on activities based on the subject of the field trip: Ohio History, Ohio Geography, or Ohio Economics.

- 3 schools, 3 field trips each
- 9 total field trips starting in November/December–February/March

# Printed Resources

- **Teacher Resource Kit (TRK)**
- **Student Activity Guide (SAG)**

# UNIT 2

*Ohio Geography*

# Ohio Geography Field Trip Overview
